We had a terrific day. It was well organised and we had so much fun finding our way around Western Sydney. I really appreciate the effort that running an event like that would have taken. I hope that it was able to raise lots of money for the kids.

A quick note to say what a great day yesterday was. It was a fantastic event and a great course (despite that blue house of dreams!!). We thoroughly enjoyed it, and look forward to coming back again in 2007. Thanks again -it was a fantastic event.

I just wanted to say it was a pleasure to be part of such a wonderful dedicated team yesterday. This was my first time as a volunteer for PIF and having already established some great new friendships, I guarantee this won't be my last. I was very proud to be part of such a great organisation. Please pass on my appreciation and gratitude to all of the PIF team for all their hard work; I hope the pennies have added up to reach our target.

Thanks to everyone for a great day, it must take an awful lot of organising and time so well done. The kids had an absolute ball, their first rally. It's a great cause and let's hope you have twice as many cars next time! Thanks to you all,

Many thanks, the team from Jones Lang La Salle had a great time!

Thanks so much for an awesome day - we had a great time and will defiantly be lining up for the next one! It went so smoothly, and was a real credit to the organisers of the event.

I have let everyone know in the office how much fun it was, and I think the next one may attract a lot more people and cars. Anyway the survey is great idea - forward it through as there is probably a lot of people wanting to praise the organization and the event.

Thank you for a fantastic day. The rally was enjoyed by all of us, even my daughters loved looking out for clues and photographs. Also, thank you for putting our corporate sashes on the girls at the finishing line. I have seen the pics & they look great. I look forward to sponsoring it again next year!

Inugural Charity Rally Challenge

Thank you and the organisers of the event. It was a great deal of fun, although we were all exhausted after the 3 stages – mentally and physically. We all felt the clues were very well pitched – not easy, but breakable.

Thanks and congratulations for the success of the inaugural PIF Charity Rally Challenge. What a great event. The courses were picturesque yet so frustrating. The volunteers were absolute gems and the field of cars indicative of the calibre of the event. I was sun burnt, wind burnt and exhausted. Our car was filthy. We got lost. We watched others get lost. We were told to get lost. I am still rinsing the grit from my teeth. But we loved every bit of it. The Snnoot will be back!!!
