**PROPERTY INDUSTRY TIPS
IN \$220,000**

The Property Industry Foundation (PIF) has raised over \$220,000 net from this year's National Hard Hat Day campaign.

The funds raised will go to specific projects for several worthy organisations including Barnardos, Open Family Australia, the Salvation Army and the Ted Noffs Foundation.

PIF chair Brendan Crotty says that National Hard Hat Day was an overwhelming success this year with over 70 companies taking part.

Since PIF's inception in 1996, more than \$12 million has been raised for a range of PIF-approved charities through its core fundraising activities.

These activities include annual events such as the Yachting Regatta, National Hard Hat Day and the Charity Car Rally Challenge.
