

# PropertyBlitz

event support | workabees | buddy day | last minute help

PropertyBlitz is a Property Industry Foundation initiative. The group comprises young community-minded business professionals with the majority employed by the Foundation's Corporate Donor companies and volunteer their time and expertise to help deliver events and special projects for the benefit of youth at risk.

The PropertyBlitz Program comprises four key areas:

### Event Support, Workabees, Buddy Day and Last Minute Help.

**“Event Support”** is volunteering to help deliver the Foundation's major fundraising events. Volunteers attend pre-event briefing sessions and provide a range of services from hospitality, registration, raffle sales to assisting with set up and bump-out at the event. These events include the **Charity Yachting Regatta, Charity Ball** and **Car Rally Challenge**, plus other functions.

**“Workabees”** is volunteering to do hands-on projects at the premises of charities supported by the Foundation. Tasks are varied and range from painting, gardening,

making vegetable gardens, building barbeques and fences, slashing to small building refurbishment projects. Some of these projects are out of the city — some require 10 volunteers, others 40 and more.

**“Buddy Day”** is volunteering time to be a friend to one of the youth that attend one of the charity programs. This program may ask a volunteer to give a few hours, or perhaps a day. Buddy Day has taken PropertyBlitz and the young people to construction sites, onto a horse estate and sailing at the Regatta.

**“Last Minute Help”** is where we ask volunteers if they can help us with Last Minute requests e.g. preparing event bags, mail outs, function registration, function set-up etc.

**Please fax back the completed form to Dixie Hogland 9241 1997 or email to [propertyblitz@pif.com.au](mailto:propertyblitz@pif.com.au)**
