### PIF race for youth in crisis

9 October 2009

The Property Industry Foundation (PIF) is hosting its annual Charity Car Rally Challenge on 15 November, hoping to raise \$50,000 for young people in crisis.

Proceeds will go to the Sir David Martin Foundation to support the work of the Triple Care Farm, which fosters an environment of peace for troubled youths.

PIF has pledged \$515,000 to a special building project on the Farm.

The Car Rally Challenge is a family event and corporate team building day. Starting in Rouse Hill, the rally follows a driving route on public roads leading to a secret destination with clues and cryptic driving instructions given at each checkpoint.

Corporate sponsors supporting this event include Davis Langdon, Thiess and Hastie Group.
