Hard hat, soft heart

The Property Industry Foundation is hoping to raise more than \$270,000 from this year's National Hard Hat Day on Friday, June 20, with early support twice what it was last year. More than 70 companies have registered for the day - a massive increase on last year's pre-commitments, and already 25 per cent higher than the total number of businesses that took part last year. A range of developers, agents, financiers and other industry players, such as AMP Capital Investors, Brookfield Multiplex, CB Richard Ellis, Lend Lease and Mirvac, have signed up so far.
