PAExclusive Stationery Drive

Testimonials

Hi,

Glad Group is underway with the Drive and getting a good response. A couple of ladies in admin went shopping and had a great time picking up bits & pieces. We have placed a few strategic boxes throughout our Head Office. Hoping to have a couple of full boxes by the end of the drive!

Susan Earnshaw, Glad Group

Good Morning,

We have received seven boxes of stationery from COS and expecting another delivery soon from XEROX. These boxes contain a variety of stationery from notebooks, hole punches, cd case-folders, permanent markers cube notes, scrap books to erasers and I've not listed half of it etc

Hi Tara,

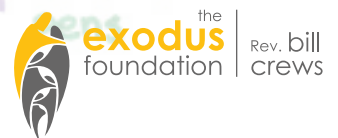

Just thought I'd let you know that I kicked off Ipoh's Stationery Drive and I have had lots of positive feedback and some people have already put things in the box. I have also contacted our stationery provider Lyreco and they are donating some things from their samples cupboard which is really nice...it is really easy for everyone to take part in the campaign and they can do as much or as little as they want.

Hi Tara,

Great news, we have managed to get hold of a generous donation from our stationery supplier, Corporate Express.
