## GREG PARAMOR SCHOLARSHIPS

In response to the ever-increasing issue of youth homelessness, PIF established a committee - headed by Brendan Crotty, to look at helping young homeless people to gain access to employment opportunities in our industry.

The outcome of this challenging initiative, is that we have three candidates to receive scholarships – a major milestone in the lives of these young people. These young men have been counselled and cared for by the Salvation Army Oasis Youth Support Network, in partnership with the Foundation.

As the Board and industry supporters are most grateful for the passion and dedication given by Greg Paramor to the Property Industry Foundation since its inception in 1996, we are proud to announce that each graduate will be honoured with a **Greg Paramor Scholarship**.

**Greg will present the scholarships during this function, marking this day as a milestone event in the history of the Foundation and our industry, as well as for the young people who are employed by their host companies – Mirvac and St Hilliers.**
