## An industry day on the water, networking and raising money

The Property Industry Foundation invites our industry to join us for our flagship fundraising event with your colleagues and clients, raising money for homeless children.

The PIF Charity Regatta is a unique opportunity for client entertainment, business networking and relationship building; while making a difference to desperate kids who are doing it tough.

*“It is marvellous to see how one industry is pulling its resources together to help the disadvantaged young people of our nation.”*

## Did you know?

There are 36,000 kids homeless or sleeping on our streets every night.

The Foundation raises in the vicinity of \$1.5 million each year through such events as the Annual Charity Yachting Regatta, Annual Charity Ball, Annual Car Rally and Cycling Challenge, and National Hard Hat Campaign. We distribute donations and provide in-kind building services to approximately 20 children's charity programs.
