PropertyBlitz is a Property Industry Foundation Initiative. The group comprises young community minded business professionals employed by the Foundation's Corporate Donors who volunteer their time and expertise to help deliver events and special projects for the benefit of youth at risk.

Our Casino Royale Event is based on the success of other celebrity charity poker tournaments and we guarantee this will be a worthwhile occasion to continue generating community spirit within our industry. This will be a great opportunity to network and get to know fellow industry members. Join us for a game of poker, light refreshments and drinks — shaken not stirred!
