**Hard hats out for charity**

The Property Industry Foundation hopes to raise more than \$300,000 for homeless youth from this year's National Hard Hat Day on Friday, June 17. The annual campaign encourages property companies and staff to donate at least one hour's pay to a nominated children's charity project. Meanwhile, CB Richard Ellis's annual Walk for a Wish event has raised \$200,000 for the Starlight Children's Foundation Australia and Make-A-Wish New Zealand.
