Ball to help young and needy

The Property Industry Foundation (PIF) aims to raise more than \$150,000 at this year's Annual Charity Ball, sponsored by Ganellen, specialists in design and construction. The ball will be held at Luna Park's Big Top on Friday, October 28. More than 500 property and construction individuals will attend the ball, which has a theme of Cirque de Souk with all proceeds going to charities helping young people at risk. PIF's chief executive, Rosemary Smithson, said last year's ball raised more than \$200,000 towards a homeless refuge for disadvantaged youth going through PIF's employment program.
