Learning about your volunteer program

PropertyBlitz is the core group of the Property Industry Foundation (PIF) who volunteer their time and expertise to help deliver fundraising events and special projects for the benefit of young people at risk.

The aim of PropertyBlitz is to support PIF initiatives and beneficiaries, create opportunities for community involvement and social responsibility for young community-minded professionals of the property industry, create an environment for developing relationships with peers, and be an incubator for longer term PIF involvement and succession.
