## SPECIAL ANNOUNCEMENT

THE PROPERTY INDUSTRY FOUNDATION SPREADS ITS CHARITY WORK TO **WESTERN SYDNEY** TO HELP MORE HOMELESS YOUNG PEOPLE

### Message from **Greg Paramor** > **Foundation Ambassador**

In 1996 key business leaders in New South Wales formed the Property Industry Foundation to mobilise the financial and human resources of the industry to assist charitable organisations providing services to 'young people at risk'.

The Property Industry Foundation has grown steadily to become what is now regarded as the property sector's pre-eminent charity initiative in that State. Our vision is to unite the entire national property industry in this independent initiative.

### Message from **Brendan Crotty** > **National Chairman**

The Property Industry Foundation (Western Sydney) has been established as the first step in moving toward our national and regional vision. We thank our industry colleagues in advance who will support the Western Sydney Foundation's initiative.

Taking the Foundation outside CBD, will begin to make a tangible difference to the lives of young homeless people living in the western suburbs; while at the same time as we continue with our efforts to improve the lives of their city counterparts.
