

PropertyBlitz WORKABEE

An initiative of the Property Industry Foundation

When Friday 24th April 2009
Where: Sir David Martin Foundation's Triple Care Farm, Robertson, Southern Highlands
Time: 7.45am Coach departs Sydney for Robertson
3.45pm Coach departs Robertson for Sydney

Volunteer — giving back helps the less fortunate, and it's rewarding!

Join the PropertyBlitz volunteer group and help disadvantaged children re-build their lives at Sir David Martin Foundation's Triple Care Farm

Swap your pencil for a spade and support a great cause. Breathe in some fresh country air as you participate in a PIF Workabee. This will also be a great time to meet fellow industry members.

Group activities will include painting, gardening, planting trees and light maintenance projects!

Over the years the Property Industry Foundation has been involved in a number of projects at the farm, and donated over \$250,000.

We are working on a new building project for them, thanks to **Turner & Townsend** who are donating QS and project management services.

PIF's donation this year will be \$515,000.
