"On behalf of the Board of YWCA NSW, thank you so much for the great evening on Friday. All our guests really enjoyed themselves and the feedback around the organisation, the food and flow of the evening as well as the wonderful vibe that was apparent has all been noted and people have said that they all had a great time.

We know how much work goes into an event to make it run smoothly and appear effortless and your team of volunteers and staff certainly did that...a real credit to you and the PIF organizing committee.

Thank you too personally for the assistance in getting YWCA up for nomination this year and helping us through the application process. We are looking forward to delivering the program and providing you with good stories, feedback and outcomes."
