NATIONAL HARD HAT DAY

The Property Industry Foundation (PIF) is hoping to raise more than \$200,000 from this year's National Hard Hat Day on Friday, 19 June, with early support strong despite the current financial climate. National Hard Hat Day marks the second major fundraiser for PIF this year, following the recent Yachting Regatta, which raised more than \$300,000.

National Hard Hat Day encourages everyone in the property industry to donate at least an hour's pay to a children's charity. Donations are taken throughout the months of May and June with 19 June marked as a 'celebration day'.

Last year's National Hard Hat Day raised \$315,281 and funds were distributed to the Salvation Army's Oasis College, Ted Noffs Foundation and the Wayside Chapel, all of which run programs to support disadvantaged young people.
