**Regatta to raise funds  
for homeless youth**

COME on property people, get your crew registered for the Property Industry Foundations' 2011 Annual Charity Yachting Regatta.

This year marks the 12th year of the industry race and yacht numbers are limited to 100.

Sponsored by Colliers International, the event will be held on Friday, March 25 at Middle Harbour Yacht Club with all profits going towards building projects to accommodate disadvantaged and homeless youth.

The PIF is hoping to raise \$350,000 this year.

"We have worked with the Salvation Army which has programs to prepare homeless youth for work; some of them have found jobs with Mirvac and Hilliers," CEO of the Property Industry Foundation Rosemary Smithson said.

The regatta will be followed by a beach party with complimentary drinks and entertainment.

Registrations for the regatta are now open. Details: contact Peta Gorman on 9241 6000.
