

We need your help to raise **\$250,000** to provide desperate kids a home.

PROPERTY
INDUSTRY
FOUNDATION

**Our industry is placing homeless kids
in jobs – but they have nowhere to live.**

All proceeds from the night will go towards the creation of a special home. Once completed, it will become a safe place for Sydney's homeless young people to live in whilst going through PIF's employment program – Rebuild a Young Life.

The photos of these children are real.
They are living on the streets and need your help.
