Property Industry Foundation
charity regatta 2012
Sydney Harbour | surfin' safari beach party
Friday 23 March 2012

The Property Industry Foundation invites our industry to their Annual Charity Yachting Regatta. Come and share in a charity sailing day with colleagues and clients to raise money for homeless kids.

The Property Industry Foundation is the pre-eminent charity within the property and construction industry. A broad spectrum of our industry support their charity of choice and enjoy the comradeship and personal satisfaction that it brings.

The Foundation raises in the vicinity of \$1.5 million each year through such events as the Annual Charity Yachting Regatta, Annual Ball, Annual Car

Rally Challenge, National Hard Hat Campaign and Christmas at Government House. We distribute donations and provide in-kind building services to approximately 20 children's charities.

The Yachting Regatta is a great way to make a difference to kids who are doing it tough; as well as a unique opportunity for quality client entertaining, business networking and relationship building.

An industry day on the water, networking and raising money for charity...

“This is our industry working together to make a million dollars difference to help solve a very important problem – youth homelessness.”

Victor Hoog Antink, National Chairman, Property Industry Foundation
