Who will live in this house? People like Kylie and Sarah*

Kylie and Sarah were 11 and 15 years old and had never lived in a real home. They had suffered every type of abuse and had no safe place to stay. That's why they were homeless. On some nights they lived at Central Station.

The Property Industry Foundation, together with Marist Youth Care, created a safe home for the girls to live and for the first time ever they had their own bedroom.

The Foundation works to offer at-risk and homeless young people, just like Kylie and Sarah, a choice and hope for the future.
